

**Blended Intensive Programme (BIP)**

# CONNECTING CULTURES

## SUSTAINABILITY, TRAVEL, TRANSLATION & MIGRATION

**+ ENLIGHT RESEARCH SEMINAR ON CULTURAL TRANSFER & SUSTAINABILITY (May 16-17)**

A unique course, followed by a research seminar, on cultural transfers and sustainability that will bring thirty students from different European universities and fifteen international experts to the Faculty of Arts of the University of the Basque Country (UPV/EHU) from May 13 to 17 with the aim to seek solutions to the challenges that various sociocultural agents in the Basque Country will pose.

A pilot project of Challenge Based Education (CBE).

Plenary lectures are free and open to anyone.
