ASSESSMENT SYSTEMS

- Mixed assessment system
- Final assessment system

TOOLS USED & GRADING PERCENTAGES

- Extended written exam 20%
- Practical work (exercises, case studies & problems set) 80%

ORDINARY EXAM CALL: GUIDELINES & DECLINING TO SIT

Students will have the right to waive the exam before the beginning of the fifth week of each semester. In this case, a "no show" grade will appear as the final grade. Students will have the right of taking a final exam including the theory and practical contents of the course program. To benefit from the final exam, students will be required to follow all the procedures and rules of the University of the Basque Country (UPV/EHU). Students will be required to pass the exam in order to pass the course. The grade obtained in the practice section of the course (a passing grade) will be maintained in case of failing the written exam.

EXTRAORDINARY EXAM CALL: GUIDELINES & DECLINING TO SIT

For extraordinary calls the same conditions will be required.

COMPULSORY MATERIALS

Materials will be published in the virtual platform egela (power points, home-works, readings…)
