

Summary of work line 2 meeting of the ToShare Observatory on
deepening the concept of wealth in relation to GDP

Held on Thursday, March 28, between 11:00 and 13:00 am, at the Deanery (3rd floor) of the Faculty of Labour Relations and Social Work of the UPV/ EHU.

Attend: : Laura Ruiz (Economistas sin Fronteras), Ekhi Atutxa (Fundación Euskampus), Asier Arcos (UPV/EHU), Amaia Ibarondo (Fundación Emaús), Garikoitz Otazua (UPV/EHU) and Ángel Elías (UPV/EHU). Excuse their absence: Jon Morandeira (UPV/EHU).

In the meeting, according to the order of the day sent, the following topics are treated:

- 1) Information about the steps that been made in the Observatory: contact with entities of which already 23 participate, creation of 6 working groups that meet this week, 12 students who work as volunteers, the website that is currently in Basque and Spanish but soon it will also be in English, and preparation for its delivery in the next days of the newsletter. Likewise, the idea of creating a forum on the website, which allows it to be extended on social networks.
- 2) A presentation is made of what each one works in relation to this topic. The wealth of the group and the very complementary perspectives are verified coinciding in the need to sensitize and to form, as well as to encourage the realization of investigations like Degree Final Projects that deepen in this subject.
- 3) Possible contributions are shared several documents and publications, highlighting the importance of questioning the measure of growth that allows GDP, and opting for another model of economy as social and solidarity.
- 4) As a coordination proposal, a summary of the meeting will be sent, permanent contact will be maintained by email and, when deemed convenient, also in person.
- 5) In other topics, we talk about the possibilities of complementarity and synergies of many activities that are currently being developed in the UPV / EHU, both in practices, as well as in learning / service projects, and the map of capabilities within the scope of Industry 4.0 that has developed the UPV / EHU with companies, which can be seen at <http://4gune.eus/>.
