Accenture

**Lanpostua / Puesto:**

Analista CFO Risk

**Lantokia / Lugar de trabajo:**

Bilbao

**Egin beharreko zereginak edo eginkizunak / Tareas o funciones a realizar:**

Your Experience:

We are seeking a Functional Risk Analyst to join our team, focusing on both traditional banking and consumer finance.

- Conduct risk analysis and assessments for financial products and internal processes, identifying potential risks and proposing mitigation measures.
- Collaborate closely with multifunctional teams, including credit, operations, and technology departments, to develop and implement risk mitigation strategies.
- Contribute to the design and improvement of policies and procedures related to risk management, ensuring compliance with regulations and industry best practices.
- Perform data analysis and modeling to assess the financial health of clients and determine their creditworthiness and level of risk.
- Prepare reports and presentations on identified risks and recommended measures for senior management and other relevant stakeholders.
- Continuously monitor key risk indicators and propose adjustments to mitigation strategies as necessary.
- Stay updated on market trends and financial regulations related to risk management and propose proactive actions accordingly. Stay updated on the latest trends and technologies in fraud prevention and detection, and propose recommendations for continuously improving the bank's processes and tools.
- Knowledge of market fraud tools.

**Eskatzen diren betekizunak / Requisitos exigidos:**

Set Yourself Apart: Desirable Skills

- At least 1 year of previous experience in similar roles within the banking sector, preferably with a focus on traditional banking and/or consumer finance.
- Solid knowledge of risk management principles and practices in the financial sector.
- Advanced analytical skills and ability to work with large datasets.
- Excellent communication skills and the ability to work effectively in multifunctional teams.
