GENERAL INFORMATION ABOUT THE COMPANY/INSTITUTION	<p>We are architects who believe architecture is not about buildings, it is about people. Since 1999, we create inspiring buildings and spaces that work well and feel good. Our projects result from a unique and personal approach we call Shaping Intuition®, focusing on the well-being of people in their surroundings. We have gained wide experience in architecture, interior design and product design, and are always interested in new collaborations. Please feel invited to explore our portfolio and get in touch.</p> <p>The HofmanDujardin team is a multi-disciplinary international group of approximately 40 architects, interior architects, draftsmen and interns with different backgrounds and university education. In the studio we speak English, French, Portuguese, Turkish, German, Dutch, Spanish, Italian and Chinese fluently. We can deliver our services in any of these languages. The office has a horizontal approachable organization.</p> <p>Our approach to architecture focuses on the well-being of the human being in his environment. Over the years, a guiding concept we call Shaping Intuition® has emerged naturally from our work. We all need a natural balance in our basic needs. In our projects, we give people the individual opportunity to harmonize the qualities of spaciousness, groundedness, expression and connection. We combine these with our cultural values which shape our projects: clarity, quality, personal and inspiration.</p>
SIZE OF THE COMPANY (EMPLOYEES)	44 employees from which 40 in the office in Amsterdam and 4 in the office in Bilbao.
NUMBER OF PEOPLE AT THE DEPARTMENT WHERE THE TRAINEESHIP WILL TAKE PLAKE	We do not work with departments but with teams. The trainees will be placed in the architecture and interior design teams.

<p style="text-align: center;">PREVIOUS COLLABORATION IN INTERNSHIP/TRAINING PROGRAMMES?</p>	<p>Yes, many collaborations. We are very enthusiastic about all the trainees who joined the office. Quite all the trainees receive a junior architect labour contract after the trainee program. Because of this great collaboration we opened the architecture office HofmanDujardin Bilbao. This office is the responsibility of Iker Hernandez, a former trainee from this program. Our colleague Aitor Exposito worked several years in Amsterdam and will return in July to Bilbao.</p> <p>The last three trainees Benat, Mikel and Uxue received after six months a junior architect contract for one year.</p>
<p style="text-align: center;">OTHER COMMENTARIES</p>	<p>Thank you very much! We highly appreciate the collaboration. The trainees are very polite, kind, creative and focussed.</p>
